

SAT & ACT Test Drive

{Don't Fake It}

**Take a full-length, real SAT to see how you'll score.
{Only at Andover.}**

All other test prep companies use fake SATs and ACTs in their prep courses. They make these tests in their offices. Given the choice, why not take a **real** SAT or ACT instead of a fake one?

SAT & ACT Test Drive is a real, full-length SAT or ACT (your choice). Oh, and it's free. Take the test and we'll send scores to you within a few days. It's exactly like taking the real thing without the score being reported to colleges. So stick with the real thing.

So find out now how you would score!
